\*Hourly Rate \$\_\_\_\_\_ for Weekend Events as referenced on page H-6, #26 Additional Requirements, Section D.

I acknowledge and agree that the School District may close or consolidate schools during the term of the Contract. In the event of the closing/consolidation of one or more facilities, the School District may cancel services under the Contract for the particular facility(ies) which no longer require a custodian, may reallocate positions from one facility to another, may increase or decrease positions at a particular facility(ies), and/or may increase or decrease the number of hours applicable to a position(s). The School District will provide the Contractor with thirty (30) days prior written notice of a complete school closure and cancellation of services for the facility to be closed, in which case Contractor's annual fee for the closed facility will be ratably reduced based on the number of days left in the fiscal year for which Contractor is not required to provide services. The School District will provide Contractor with written notice of the need for other changes (e.g. reallocation of positions, increase or decrease in position hours, etc.), which written notice will provide the Contractor with a reasonable period of time to implement the change, and Contractor agrees to implement the changes. The Contractor's annual fee for the particular facilities affected by the changes shall be adjusted (increased or decreased) by the School District, which adjustment shall be determined by the School District in its reasonable discretion taking into account the annual fee for the applicable facility, the number of hours of services required for the facility, and the hourly rates set forth below.

I agree to provide the following minimum number of hours per building (hours to be inserted by Proposer), which hours are included in the above annual fixed fee for the applicable facility:

It is my responsibility to provide sufficient personnel to insure that the minimum requirements are met and that each building is effectively cleaned on a daily or other designated basis. All costs for doing so are included in the above total lump sum fixed fees.
